# About Us

Since the 1970s, Al Haramain Perfumes has been a cornerstone in the development of the fragrance industry. Pioneering a new era of oriental and floral fragrances, our founders, driven by a vision to transform the Industry and the landscape of perfumery with their innovative spirit and creative brilliance.

Al Haramain began as an agarwood trading business, founded by Mr Kazi Abdul Haque. From humble beginnings in Makkah in 1970, we have grown from a small agarwood trading operation to a large, multinational fragrance manufacturer, retailer, and exporter with showrooms, agents, and stockists around the globe. This remarkable journey was furthered by Mr Haque's son, Mr Mohammed Mahtabur Rahman, who expanded the brand globally, bringing innovation and passion to perfumery.

Every day, we open our doors with a commitment to bringing uniqueness to our products. Our unconventional approach ensures that each fragrance is not just a product but a memorable experience.

The Al Haramain Perfumes Group is headed by Mohammed Mahtabur Rahman, who serves as Chairman & Managing Director.

Al Haramain Perfumes has built a business heritage, passed down through generations, rooted in shared values, business ethics and philosophy. Today, Al Haramain is the premier producer and retailer of speciality perfume in the world. With every bottle, Al Haramain Perfumes strives to bring our heritage and an exceptional experience.

Dear Customers and Friends of Al Haramain Perfumes, \_\_\_\_\_  
On behalf of the entire Al Haramain family, I want to extend our heartfelt gratitude for your unwavering support and loyalty to our brand over the years. Your trust and passion for our craft have been the driving force behind our growth and success.

At Al Haramain, we blend centuries-old perfumery traditions with the latest technology, to deliver the finest products and services worldwide. Our commitment to excellence ensures that Al Haramain delivers memorable experiences. As tastes and expectations evolve, we continue to innovate, creating exquisite scents that capture the imagination, while never compromising on quality.

We look forward to the future as we continue to enchant the world with the essence of Al Haramain.

Warmest regards,

Mohammed Mahtabur Rahman (Nasir)

Chairman & Managing Director  
Al Haramain Group of Companies

## CHAIRMAN'S MESSAGE

## Mission

Our mission is to craft fragrances that fulfil our customers' diverse tastes and preferences, creating moments of joy through the art of perfumery.

## Vision

Our vision is to be the global leader in fine perfumery, enchanting the world with scents, incense, and agarwood that leave a lasting impression and enrich lives.

---

## Our Values

Our core values are the foundation of everything we do, guiding our actions and decisions with unwavering commitment:

- Ethical - Our actions reflect our commitment, integrity and respect for our customers, suppliers, team members, and the environment.
- Quality - We are dedicated to excellence, from ingredients and technology to people and premises, we invest only in the finest to ensure that every aspect of our business meets the highest standards.
- Integrity - Honesty and transparency are at the heart of our operations; we stand by our promises and maintain trust through our actions. Our word is our bond.
- Dignity - We are committed to preserving our reputation for excellence, never compromising on our standards or our values.
- Courage: We embrace innovation and are ready to challenge the status quo when it doesn't lead to positive change and advancement in our industry.
